SPARE COPIES

Please see my ref.C.No.3649/40 dated 29-1-41. The District is not yet free from plague and new villages are getting infected day to day. Hence it is necessary to continue to keep a proper check over the incoming merchandise. The infection in the Municipality is only restricted to a small area in the east and the stoppage of picketting will expose the whole town to broadcast infection and the whole affair may flake up and get out of control. Hence it is very essential that the existing picketting staff should be continued for a month more i.e., till 31-3-41. I therefore request that an additional allotment of Rs 320/- may be sanctioned for the objects noted below;

(1) Staff of 10 maistries at Rs 20 each for one month	Rs 200/-
(2) 10 coolies at Rs 12/- each for one month.	Rs 120/-
	Rs 320/-

The above staff will work all the 24 hours by shifts as already stated in my reference quoted above.

2) I have allowed the Municipal Health officer to continue the staff in anticipation of sanction.
